

# Vic Café & Bar

Food Served Mon - Sat

12pm - 10pm

---

**The Vic** takes its name from the original Victoria Café in the southside from which materials were salvaged to create it, by the class of 77'. The vitreous marble sign from the cafe was reinstated in 2014.

We aim to provide a varied and affordable menu. We buy locally grown fruit & veg from Locavore, bread from Freedom Bakery as well as Greencity Wholefoods and other suppliers.

---

**The Art School** is a student and artist led venue. We offer space and support for a wide range of artistic and musical practices, hosting gigs, clubs, films and educational events, alongside the regular opening hours of our core social and dining facilities in The Vic.

As a non-profit charity, all proceeds made by The Art School go towards funding student exhibitions, projects, and societies, along with contributing to our 'Programming Fund' for innovative and emerging artists and events.
